The relation of capital cuttay, aggregating \$51,727,554, to the total expenditures showed that nearly 85 per cent ings. A total of \$1,341,000 was expended for medical inspection and dental and nurse service in the 377 cities named. The part of the total expenditure spent for the alteration and equipment of old buildings was Lexington 9,00 only 1.8 per cent. Commenting on this, Richmond 10:45 the committee said:

"The smallness of this amount is of particular interest in connection with the findings of this committee in their Richmond 6:00 report on school housing conditions in American cities. This report shows that a large percentage of the children in the public schools are continually menaced by the unsanitary conditions and fire bazards in many old school buildings now in use. In Eastern cities the conditions are particularly had."

The basis for the committee's survey was an inquiry sent to the superintendents of schools in cities with populations in excess of 8,000.

BIG RAT TEPRORIZES HOME Makes Desperate Attack on New York and Cats Flee at the Sight

of It.

New York .- While ministering to his five-year-old daughter. Leonore, who had accidentally swallowed a quantity of rat poison, John Bolte was attacked

by a gigantic rat. Shouting for help he fought the rat. which tried to reach his throat, for five minutes when neighbors arrived and killed it. The child will recover.

The rat, which was as large as a cat, appeared in the bathroom of the Bolte home about a week ago. Cats which Bolte borrowed fled at the sight of the rodent. One of the cats jumped through the bathroom window.
